NO. 362.

WASHINGTON, D. C., FRIDAY, OCTOBER 4, 1907.

# HEAR PRESIDENT ARGUE FOR PEACE

He Stops at Cairo to Discuss International Problems.

GETS HEARTY GREETING

Tells "Egyptians" About Corporation Wrongs to Right.

Declares That "Peace with Insult" Is Bad Policy, and That the Navy Must Be Built Up and Maintained at Its Highest Efficiency-Raps at Capitalists Who Disobey the Laws. He Reaches Memphis To-day.

Cairo, Ill., Oct. 3.-Cairo began a new

Dickens came here and, returning to Eng- when it leaked out that Mr. Harriman land, wrote the story of Martin Chuzzle- sent his representatives up here to get

lish novelist, for the bitter things he said Corporation. Dr. Smyth was yesterday still rankle in the breasts of the people of the community. They did not forget was two attempted to put up a strong are It even to-day when the President came, for the mayor made reference to Dickens

gument as to why the Connecticut clergyman should back up Mr. Harriman. Dr. 5myth said he felt flattered that his three and his estimate of Cairo in his address shares were needed to settle a fight of of welcome. It is said that you can't buy a set of Dickens works in the town, twenty-four hours time to decide such so great is the feeling toward the Eng-lish writer. But, anyway, they don't run genedally to literature in Cutro, there especially to literature in Cairo, there are other pleasures which occupy the public mind.

"Do they play poker in this part of Tells Nebraskan to Quit Government the world?" asked some one of Congressman Chapman, who represents Egypt in Congress, and who came down here to

"Do they play poker here" responded boy, they teach it in the public schools." All Cairo Turns Out,

The President, in part, spoke as fol-

even as genuine a lover of his kind, a man normally so free from national prejudices, as Charles Dickens, should have selected the region where we are now standing as the seat of his forlorn "Eden" in Martin Chuzzlewit.

The country has a little of the standing as the seat of his forlorn "Eden" in Martin Chuzzlewit.

The country has a little of the swamped boats were themselves barely rescued by a lifeboat, but, nothing daunted, they resumed their work shame—his fortune may be swollen."

War Ships Off to Scene. "Eden" in Martin Chuzziewit.

The country he so bitterly assailed is now one of the most fertile and productive portions of agricultural territory in all the world, and the dwellers in this territory represent a higher average of comfort, intelligence, and sturdy capacity for self-government than the people in

In council and in battle.

I commend a careful reading of "Martin Chuzzlewit" to the pessimists of today, to the men who, instead of fighting hard to do away with abuses while at the same time losing no jot of their buoyant hopefulness for the country, insist that all people, socially and industrially, in their private lives no less than as politicians, newspaper men, and business men, are at a lower ebb than ever before.

Be Not Be a Passimist.

Do Not Be a Pessimist.

If ever any one of you feels a little Man Who Killed New York Merchant downcast over the peculiarly gloomy view of the present taken by some well-mean ing pessimist of to-day, you will find it a real comfort to read "Martin Chuzzle wit," to see what a well-meaning pes simist of the past thought of our people materially, of those sixty-five years.

Government in its application is often a He said he was not guilty, adding that complicated and delicate work, but the he had no counsel and wanted none.

When the smoke cleared, Hibbs had a bullet through his cheek and one pene trating his stomach. Wright got a bullet in the groin and Shorty was wounded in the leg. Wiseman was shot through the mouth, but Semon was not hit.

The injured men were rushed by auto mobile to Goldfield and given medical attention, but it is feared that three will

### DANIEL VIRGINIA'S CHOICE.

Lieut, Gov. Ellyson's Statement Believed to Mean This.

Richmond, Va., Oct. 3.- "Senator John W. Daniel, of Lynchburg, is my choice for the next President of the United States. I think that the South should come to the front and formulate the policy of the party and assume the leadership in the coming campaign. That is the policy I advocated two years ago, and it is what I think to-day."

This statement was made by J. Taylor Ellyson, lieutenant governor of Virginia, who has been State chairman of the Democratic State central committee for a number of years, and prominently identified with the Democratic party for the last decade.

Mr. Ellyson is in the city for the purpose of having a talk with his lieutenants on matters political,
